

UPDATING YOUR COVERME.GOV APPLICATION

If your income varies during the year or the size of your household has changed since you enrolled, adjust the information in your CoverME.gov application. These changes may affect your coverage or financial savings.

For assistance or technical support, please contact the CoverME.gov Consumer Assistance Center at 1-866-636-0355 TTY: 711.

Step 1: Sign in to your account. If you haven't updated your password recently, you will be prompted to create a new, strong password. If you can't remember your password, select **Forgot Your Password?** to complete the reset process.

Please note: Call the Consumer Assistance Center at 1-866-636-0355, TTY: 711 for assistance resetting your password.

Step 2: On your account home screen, find and click on **Applications** in the menu on the left side.

Step 3: Find the year you want to update. If you are updating your application during Open Enrollment for the next plan year, choose **2027 Application**. If you are updating your current application, choose **2026 Application**. Click on the **Actions** drop-down menu next to that year.

Applications

The information below reflects your most recent application for each coverage year. You can apply for coverage, review and update an application, or view eligibility determinations from this page. To review older applications, select 'View Application History' at the bottom of this page.
