

UPDATING YOUR COVERME.GOV APPLICATION

If your income varies during the year or the size of your household has changed since you enrolled, you should adjust the information you provided in your CoverME.gov application as soon as possible. These changes may affect your coverage or the financial savings you receive.

Step 1: Sign in to your account. If you haven't updated your password recently, you will be prompted to create a new, strong password. If you can't remember your password, select **Forgot Your Password?** to complete the reset process.

Please note: Call the Consumer Assistance Center at 1-866-636-0355, TTY: 711 if you need assistance resetting your password.

Step 2: On your account home screen, find and click on **Applications** in the menu on the left side.

Step 3: Find the year you want to update. If you are updating your application during Open Enrollment for the next plan year, choose **2026 Application**. Click on the **Actions** drop-down menu next to that year.

The screenshot shows the 'Applications' page. It has a header 'Applications' and a sub-header 'The information below reflects your most recent application for each coverage year. You can apply for coverage, review and update an application, or view eligibility determinations from this page. To review older applications, select 'View Application History' at the bottom of this page.' Below this are three dropdown menus: 'To start a new application', 'To update an application', and 'Which year should you select?'. The '2026 Application' section is highlighted, and the 'Actions' dropdown menu next to it is circled in red.

Step 4: Select **Update Application**.

The screenshot shows the '2026 Application' section. The 'Actions' dropdown menu is open, and the first option, 'Update 2026 Application', is circled in red. Other options in the menu include 'View Eligibility Determination', 'Copy Info to 2025 Application', 'Transfer History', and 'Review 2026 Application'.

Please note: Want to update information for just one person? Click their name directly.

Step 5: Make your changes. When finished, resubmit the application.

The screenshot shows the 'Electronic Signature' page. It has a header 'Electronic Signature' and a sub-header 'When I type my name below, it means I sign the form and promise that all of the information in it is true and complete to the best of my knowledge.' Below this are three input fields: 'First Name *', 'Middle Name', and 'Last Name *'. The 'Submit Application' button is circled in red.
